Doug - really appreciate your coming over on such short notice! I know Jim Woolford is in Seattle and Dana Stalcup was kind enough to loop you in. I have also flagged Region X on this and their participation will be critical since the RA and the Regional staff have invested a lot here. And the local officials are aware that we are pulling in the Region by telephone and our Office of Superfund Remediation and Technology Innovation (you) to have a productive meeting.

Thanks again to all!

Arnita
